TEK MARCINIAK'S MOUNTED POLICE TRAINING FOR CIVILIAN RIDERS & HORSES

BRING YOUR HORSE TO MOUNTED POLICE/CAVALRY SCHOOL!

Ride and work your horse over bridges and teeter-totters, through tunnels over, under & through plastic, tires, smoke & flares, etc...By the end of the second day, you should be able to fire a gun from your horse's back...**WHILE REMAINING MOUNTED!** You will train to work alongside others while practicing **Cavalry Drill Maneuvers**.

Our cadre of Instructors has conducted Mounted Police Certification Courses throughout the country for police departments in Las Vegas, Austin, New Orleans, Cincinnati, Los Angeles - to name just a few.

All of our Instructors are Nationally Certified.
Our Director is a State of Florida General Police
Subjects and Certified Police Firearms Instructor.

We now utilize these training methods in Civilian
Classes.

Certificates will be issued to those riders & horses
who complete the course.

"...I
feel a new
trust and respect
for my horse and
myself, and had a
load of fun while
learning this."
Nancy Gable

"It
was possibly
one of the most
fun-filled two days
I have ever spent
with my horse..."

"...he
wouldn't walk
through water...
Now he walks
through swamps.
And he does it very
willingly."
